

LEEDS IRISH HEALTH & HOMES

LEEDS IRISH HEALTH & HOMES

Care – Culture – Community
Cúram – Cultúr – Pobal

WHO ARE WE?

Enhance is a service that works with people through their hospital discharge pathway to ensure that they have a safe transition in returning home, with an exemplary package of support to enable people to connect back into their local community.

WHY CHOOSE US?

Leeds Irish Health & Homes works in partnership with the NHS and neighbourhood teams across Meanwood and Chapeltown areas of Leeds. We have 26 years of delivering support through our ethos of Care, Culture, Community to people in the Irish and wider community, helping people to reach their goals, improve wellbeing and connecting people back into their local communities.
